

R_LinearStatistic

```
graph LR; A[R_LinearStatistic] --> B[C_LinearStatistic]; A --> C[ncol]; A --> D[nrow];
```

A diagram illustrating the relationships between R_LinearStatistic and its associated components. R_LinearStatistic is shown in a black box on the left, with three arrows pointing to three white boxes on the right: C_LinearStatistic, ncol, and nrow.

C_LinearStatistic

ncol

nrow
